*Schlicht und einfach
war Dein Leben,
treu und fleißig Deine Hand.
Immer helfend für die Deinen,
ruhe sanft und habe Dank.*

A photograph of a field of purple lavender and red poppies at sunset. The sun is a bright, glowing orb in the upper center, casting a warm, golden light over the scene. The lavender is in the foreground and middle ground, with some stalks in sharp focus. The poppies are scattered throughout, with a few in the foreground being more prominent. The background is a soft, out-of-focus expanse of lavender and the setting sun.

*Wir danken
